

# ANDREA M. RELOVA

## EDUCATION

**University of Florida, Gainesville, FL** (estimated graduation date: December 2022)

Bachelor of Science in Computer Science, Minor in Linguistics

Current GPA: 3.33

**Stanton College Preparatory, Jacksonville, FL** (High School Class of 2018)

Graduated with Honors

National Merit Scholar, Florida Bright Futures Scholar

## PROJECTS & RELATED EXPERIENCE

**Portfolio Website (Summer 2020):** Created my personal website (<https://andrearelova.com/>) featuring all projects and design work mentioned below and more. Created using React/Node. Utilizes Material UI and my unique and custom website design.

**Laundr E-commerce Website (Fall 2020)** - Currently developing a group web application for my software engineering class for a laundry company called Laundr. Wireframes also available on my portfolio website.

**Six (Summer 2020)** - Group web app developed using React that gives the number of degrees between any two musical artists. Utilizes the Spotify Web API. Available on [GitHub](#).

**DailyUI (July 2020 - present)** - Currently completing the 100 Days of UI challenge that gives users a design prompt every day (e.g. create an app icon, landing page, etc.) Images of designs can be found on [Dribbble](#) and my portfolio website.

**SwampHacks VI (January 2020):** Participated in University of Florida's Hackathon and collaborated with a small team.
